

# 7.4 Mist Collector

### ■ MT-Screw Washer Assembling Machine

Features:

- 1. Special 1<sup>st</sup> stage filter designed to clear 1 $\mu$  Particles first. The rest are 4 stages filter to clean 0.3 $\mu$  Particles.
- 2. Easy to replace 1<sup>st</sup> stage filters by hand and save times.
- 3. Precise designed eccentric fan, suit for long time running & low noise.
- 4. Strict Designed, easy operation & installation.

5. Specification:

Type	JW-10
Hp	0.75kw
Voltage	380Vx3x60(50)Hz / 220Vx3x60(50)Hz
Suction Dia $\varnothing$	150m/m T(100m/m)
Pressure	200mmAq
Dimension	630x450x580mm
Weight	45Kgs
Noise	60dBA
